

PROFESSIONAL PROFILE

Jill Balagur-Conn, LCSW., MSW, ACSW, BCD, CEAP
12335 Hymeadow Drive, Suite 300
Austin, TX 78750
(512) 663-9950

Specialization:

In my private practice I specialize in working with many national and international EAP service providers, offering direct clinical services for individuals and couples, employee and supervisory training, management consultation, case management, policy development, critical incident workplace interventions, organizational training and consultation. I also offer direct clinical services and short-term psychotherapy to individuals and couples.

Licenses & Certifications:

LCSW-Licensed Counselor of Social Work, Texas	2005-present
LCSW-Pennsylvania (Inactive)	2000-2005
LSW- Licensed Social Worker, Pennsylvania	1986-2000
CEAP-Certified Employee Assistance Professional	1987-present
ACSW-Academy of Certified Social Workers	1986-present
BCD-Board Certified Diplomat	1999-present
CCBT-Certified Cognitive-Behavioral Therapist	2000-2005

Professional Affiliations:

Past Chair for PA NASW Chapter's Colleague Assistance Program and three years as a member and one year as Chair of Employee Assistance Certification Commission, the international credentialing organization for EAP practitioners.

Summary of Experience:

My 25 years of experience consists of providing assistance and counseling with a broad spectrum of personal and workplace problems including but not limited to substance abuse, mood disorders, chronic health problems, anxiety disorders, parenting, step-parenting, separation/divorces, relationships, conflict and anger management, work-life balance, caretaking, critical incidents and grief/loss issues. I have extensive experience working with individual and family substance abuse problems and have taught many academic and workplace courses, including the first graduate-level academic course in motivational interviewing.

New to the Austin, TX area having relocated December 2004 from Pittsburgh, PA
